

Make a purchase

Step 1 Launch your Venu app and login with biometric authentication

Step 2 Tap the **Purchase** icon at the bottom of your screen

Step 3 If you haven't already enabled location access, tap **Grant location access**

Step 4 Tap **Generate QR** code

Step 5 Press and hold the record button and read the numbers that appear on your screen

Step 6 Share your unique one-time QR code with your budtender to proceed with payment

Step 7 Budtender scans your QR code to complete your purchase

 Be sure to confirm your Venu account balance - this is the maximum amount you can spend before adding additional funds.

Tapping 'Grant location access' is a requirement so that Venu knows your location
