

# Make a withdrawal

**Step 1** Launch your Venu app and login with biometric authentication

**Step 2** Tap **More** at the bottom of your screen

**Step 3** From the menu options, tap **Withdraw money**

**Step 4** Enter the amount you want to withdraw

**Step 5** Select your bank account where you want the money to be deposited and tap **Withdraw money**

**Step 6** Press and hold the record button and read the numbers that appear on your screen

**Step 7** Tap **View Venu account** to go back to your account dashboard

 Be sure to confirm your Venu account balance – this is the maximum amount you can withdraw.
